

Educational Background

Bachelor of Technology (2023-27) -Present
Shah And Anchor Kutchi Engineering College
CGPA: 7.57

Primary Education(10th)
Swami Vivekanand English High School
Percentage: 84.6

PROJECTS

Harry Potter Invisibility Cloak using OpenCV and Python:

Built a real-time computer vision application that simulates an invisibility cloak effect.
Applied HSV color segmentation and background subtraction to hide objects covered by a specific color.
Processed live webcam frames using OpenCV and NumPy for real-time image masking and frame blending.

Bharat Biz Agent – WhatsApp Business Automation Node.js, API Integration

Developed a backend service to send automated WhatsApp messages and documents using WhatsApp Web APIs.
Implemented REST API endpoints for sending messages, documents, and checking connection status.
Integrated QR-based authentication and session management for secure WhatsApp account linking.
Built features for auto-reconnect and message delivery using Node.js.

Fake News Detection using Python and Machine Learning

Developed a machine learning model to classify news articles as real or fake using natural language processing techniques.
Implemented text preprocessing and feature extraction using Count Vectorization and trained a classification model for prediction.
Used libraries such as scikit-learn, Pandas, and NumPy to build and evaluate the model.
Achieved accurate classification by training the model on labeled news datasets and saving the trained model (.pkl) for future predictions.

Skills

Technical Skills

- HTML,CSS,Reactjs
- AI ML
- PYTHON,C/C++
- MONGO DB,SQL,EXCEL
- DSA

Tools

- Git & GitHub
- POWER BI
- AUTOCAD
- FIGMA

SOFT SKILLS

- MANAGEMENT SKILL
- CREATIVE
- LEADERSHIP
- CRITICAL THINKING
- QUICK LEARNER

Certification

- Oracle Cloud Infrastructure AI Foundations Associate
- IBM AI Foundation
- Infosys spring board Introduction to Cloud Computing
- Spoken Tutorial IIT Bombay In Python
- Microsoft Power BI

Extracurricular Activities

- Active member of National Service Scheme (NSS) – Participated in community service and social awareness activities.

HOBBIES

- Travelling and exploring new places
- Fitness and gym workouts
- Following financial markets and stock trading
- Playing strategy games
